## A MESSAGE FROM OUR PRINCIPAL

Dear PHS parents and families,

We have had a full week of teaching, learning and plenty of extracurricular events. It is never boring in our large high school. Today and this weekend we have the following athletic teams competing: Basketball, Wrestling, Indoor Track, & Swimming and Diving. Good luck to our student athletes.

For this coming week, our Executive Board has planned a “Reset and Recharge” week designed to give students time and space to reflect on how they are doing and to focus on their well-being. Each day, we will have a homeroom schedule. For 3 days in homeroom, students will have “Panther Pause.” This is a quiet time for students to do homework, organize their planner, make their to-do list, write notes, reflections, or goals, daydream, catch their breath, etc. On Monday, they can wear pajamas! The Leadership students have listed more of the activities in the article below. I encouraged the students to take it all in and enjoy the events.

On Wednesday, in homeroom, **Course Request Cards are due from 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> graders.** We will ask students to enter their requests into PowerSchool. Then, in the weeks following **February 14**, each counselor will meet individually with their students to review their selections, verify that courses needed for graduation are selected, and work with each student on their post-high school plans. We look forward to working on this process together with our students. We thoroughly

enjoy meeting with each student. It is a very time-consuming process but one that helps us get to know our students and help us guide them through the high school years.

Thank you for sharing your children with us. We are thankful to be able to work with each of them! They are a key ingredient to making our school a joyful place to teach and work each day!

I hope you have a great weekend!

Sincerely,  
Dr. Harrill, principal
